

WMCC Rave Alerts

WMCC Rave Alert is the emergency notification system that helps to ensure rapid and reliable mass communication to students, faculty, and staff. Should a crisis, emergency, or weather closure/delay occur at WMCC campuses, the Rave Alert system communicates with cell phones (text and voice messages), landlines, and email systems. Students are automatically registered to receive Rave Alerts. They receive an email in their M365 Student Mail account from Rave Wireless, which gives them a link to access and add personal information.
